

A fantastic package of the very best musicians featuring the whole world of jazz from ragtime to the most modern, established jazz greats to the stars of the future. Many award winning musicians. The music is in a marquee close to the real ale and cider tent. There are chairs and tables in the marquee. The club's café offers great value food served from the clubhouse, and there will also be a fast food tent close to the marquee.

We are the only outdoor four day Jazz Festival in the UK and have a unique atmosphere. We cannot guarantee the weather but hopefully will have another sunny festival this year. If it does rain we can cope and the only set which could be affected is ironically the umbrella parade.

The package includes use of the covered heated swimming pool, but nudity in the pool is compulsory. Don't forget to bring a towel.

The Naturist Foundation is in Sheepcote Lane near the junction of Star Lane and Hockenden Lane. It is sometimes shown on maps as "Hockenden Wood". The nearest train stations are St Mary Cray (within travel zone 6) and Swanley. Both stations have minicab services. The foundation has free car parking. We are close to the A20, A2, M20 and M25 off the B2173.

If you input our postcode into a sat nav it will take you about 600 metres away from the gate. There will be signs in the road.
