

# The Naturist Foundation

*where bare is beautiful*

To ensure everyone's safety on site, the Naturist Foundation kindly request all adult visitors to provide a copy of their Covid Passport.

If you have not had both vaccines, the second one at least 14 days prior to arrival, we would ask you to provide a negative Lateral Flow Test (LFT) no more than 48 hours before arriving.

For clarity, the following forms of COVID Status are acceptable: -

Domestic COVID Pass. Available via the NHS app on your phone or online at <https://www.nhs.uk/conditions/coronavirus-covid-19/covid-pass/>

NHS COVID Pass Letter. Available online at <https://www.nhs.uk/conditions/coronavirus-covid-19/covid-pass/get-your-covid-pass-letter/>

Unfortunately, the blue card you were given at the time of your vaccination is not a valid form of ID.

If you are unable to provide either of these, we will require you to provide the results of an LFT test taken 48 hours prior to arrival.

We fully recognise that some are unable or currently unwilling to have the vaccine. For that reason, a lateral flow test is required for those individuals.

There is a limited supply of LFT tests on site and so we may be able to assist you with a test upon your arrival should the above not be possible.

For the safety of all on site, we reserve the right to cancel your booking if we are unable to obtain your COVID status.

Looking forward to seeing you soon!
