

The Naturist Foundation is pleased to be able to welcome visitors back to Brocken Hurst. We have had to make some changes to operate within the Government guidelines, but we are sure you will still enjoy your stay.

Before booking we would like to make you aware of the following changes to the way we operate.

The swimming pool.

To prevent congestion the swimming pool has had to be roped off into lanes. There are 2 lanes that can be booked for 20 minute sessions and 2 lanes for one person at a time that do not require booking but are for a quick dip to cool off.

Showers.

We have had to keep some showers closed to maintain social distancing. Showers will need to be booked.

Toilets.

The toilets are open and are being cleaned more frequently. We have also put in cleaning stations and ask people to clean the toilet they use before and after.

Laundry.

The laundry is open but needs to be booked. A cleaning station is provided to clean the coin slots and door handles on the machines before and after use.

TeaPot Café.

The café is operating on a takeaway service so the hours are reduced to 10am to 4pm and the menu has been reduced. There are only 2 tables available in the pavilion to sit at to eat but plenty of outdoor picnic benches.

The Bar.

The bar is operating outdoors only so is weather dependent as well as staff dependent. We aim to open it on Monday to Saturday from 1pm onwards and on Sundays from 12 noon onwards.

The café and bar take cash or card payments, but card is the preferred method.

We have had to cancel most of our events but we may be able to do some socially distanced afternoon events if the weather is kind. These will be advertised on the notice boards week by week.

You will be sent more information when you book, but please telephone or email us if you have any specific or urgent queries.

We look forward to seeing you soon.
